

BETAFLIGHT HIVE BACKPACK WARRANTY

Quality Assurance

Betaflight Hive Backpacks are performance tested, at fully loaded capacity, using our strict control standards. Before we offer this product for sale, it is put through test to ensure it's strength, durability, and dependability that is represented by the most demanding frequent travelling quad pilots. This attention to quality results in us (FPVMODEL) and (Betaflight) being able to offer the best warranty in the industry.

Limited Lifetime Warranty

If a problem occurs with the Betaflight Hive Backpack, and the problem is deemed to be a manufacturing defect in material and workmanship, FPVMODEL will either fix or replace the Betaflight Hive Backpack. The warranty provided herein applies to the life of the product.

This Limited Global Warranty covers the life of the product and can be passed down to others that are not the original purchaser of the product. If you use the Betaflight Backpack and in the future decide to move on to a newer backpack you can give your Betaflight Hive Backpack to your brother, sister, mother, friend...it doesn't matter, this Limited Lifetime Warranty covers whom ever the bag is passed down to.

This warranty covers only manufacturing defects and does not cover any damage caused by misuse, neglect, abrasions, accidents, extreme temperatures, solvents, acids, water, paint, normal wear and tear or transport damage.

Limited Two Year Warranty

Betaflight Hive Backpacks are performance tested. If a problem occurs with the Betaflight Hive Backpack, and the problem is deemed to be a manufacturing defect in material and workmanship, FPV MODEL will either fix or replace the Betaflight Hive Backpack.

The warranty provided herein applies to any point in time after the first two years of purchase. To extend on the Limited Lifetime Warranty Betaflight Hive Backpack also comes with a Limited Two Year Warranty and this warranty will cover manufacturing defects in material and workmanship, it will also cover damage that may happen to the Load Adjuster Strap, Contoured Shoulder Strap, Haul Loop/Pack Handle, and Sternum Strap with normal wear and tear.

This warranty does not apply to damage that may have resulted from misuse, neglect, abrasions, accidents, extreme temperatures, solvents, acids, water, paint, normal wear and tear or transport damage.

Limited One Year Warranty

Betaflight Hive Backpacks are performance tested. If a problem occurs with the Betaflight Hive Backpack, and the problem is deemed to be a manufacturing defect in material and workmanship, FPV MODEL will either fix or replace the Betaflight Hive Backpack.

The warranty provided herein applies to any point in time within the first year of purchase. To extend on the Limited Lifetime Warranty, and the Limited Two Year Warranty, your Betaflight Hive Backpack also comes with a Limited One Year warranty.

The limited one year warranty also includes both limited two year warranty and limited lifetime warranty but further broadens the scope of warranty damage to include manufacturing defects in material and workmanship. The limited One Year warranty will also

include any damage that may happen to the Load Strap, Contoured Shoulder Strap, Haul Loop/Pack Handle, and Sternum Strap with normal wear and tear.

This Limited One year warranty will also include damage that may happen to Betaflight's Hive Backpack zippers. These zippers are YKK branded and known around the world as some of the highest quality zippers in the industry. This limited one year warranty will also include any damage that may happen to the buckles on your Betaflight Hive Backpack. If a buckle should break, follow the warranty claim procedure and we'll send you replacement buckles. Purchaser is responsible for shipping fees.
